EXPERIENCE

Web Development Intern

Prodigy Infotech

April 2024 – May 2024

- Leveraged HTML, CSS, and JavaScript to craft visually stunning and interactive user interfaces. Demonstrated proficiency in frameworks like Bootstrap and Tailwind CSS to streamline development processes and ensure responsive design across multiple devices.
- Developed dynamic and scalable web applications using React, harnessing its power to build reusable components and efficiently manage state. Implemented advanced features and optimized performance to deliver seamless user experiences.
- Spearheaded front-end projects during my internship at Prodigy InfoTech, from conception to deployment. Collaborated closely with cross-functional teams to translate requirements into engaging interfaces, showcasing creativity and problem-solving skills in real-world scenarios.
